Socials

We have about 4 socials per month. Some are just for fun while others are more ASL and Deaf Community based.

Some examples include Friendsgiving, football games, and coffee days!

Big Event

Texas A&M offers a community service event called the Big Event! This year's BE is scheduled from 8AM-12PM on March 22nd.

We are looking to create a team to go out and help the BCS area, so we will be sending out a form to see if there is interest!
