

The background features a central piece of torn, aged paper with a dark, irregular border. This paper is set against a larger, textured brown background. In the top-left corner, there is a circular wax seal with a grid pattern. The top edge of the central paper has two decorative, symmetrical scrollwork flourishes. The bottom edge of the central paper has a similar, though less defined, flourish. On the right side, there are several purple roses with yellow centers and green leaves. On the left side, there are two white, four-pointed starburst graphics. The overall aesthetic is vintage and elegant.
